

## ENGLISH IN FEBRUARY 2020 MILAN

### **Super Minds 4 - Unit 5 Police!**

In February we will work on Unit 5. Unit 5 is about appearance, describing people and solving mysteries. We will describe what people look like (especially hair and face, and a bit about body types). We will also learn the expression "used to", which is used to talk about things in the past which are no longer true and "had to", which is used to talk about obligations in the past. Children will read about famous English detective stories and writers.
