All rights reserved.

1. Print the template. If printing the black and white one, color it first.

2. Cut out the rocket, moon, small rectangle and optionally rectangle with text.

3. Cut along the full lines on exhaust flames. Cut out the inside circle (window).

4. Fold along the dashed lines.

5. Fold the fins up.

6. Fold along the dashed lines on the exhaust flames (accordion).

7. Draw or stick a photo inside a circle on the background. Apply glue on the spaces marked with the word glue.

8. Stick the rocket on the template. Be careful to leave the fins on the outside.

9. Stick the rectangle with the text inside the circle on the background or write in your own text.

10. Apply glue on one end of the small paper strip and glue it into a loop.

11. Stick the loop inside the circle on the background.

12. Apply glue on the top of the paper loop and stick the moon on it.
